Aloha District 50 Lions, Leos, and 'Ohana, I hope all our Lions in District 50 are doing well following Hurricane Lala. Hurricane Lala touched all the islands and damaged many homes and businesses across the state, including the homes of several of our own Lions. Please contact me if your club or zone needs assistance. We are here to help one another.

Lions Answer the Call

A very special mahalo to 1st VDG Tony for quickly putting together an Emergency Fast Team to purchase and deliver bottled water to our communities in need. On Wednesday following the storm, water was delivered to Nā'ālehu and Pāhala, followed by another delivery to Ocean View on Friday.

With \$700, the team purchased and delivered 202 cases of bottled water, providing much-needed water to 202 families. Mahalo to 1st VDG Tony, ZC Melissa, Lions Wayne and Eugene, and CIS Carol for stepping up and responding so quickly once the roads to Ka'ū reopened.

Our Lions answered the call in other ways. ZC Melissa and IPDG Sean helped lead a food drive at KTA stores. Lions from Akaka Falls, Crescent City, Hamakua, Hilo, Kona, and Waikoloa, along with Konawaena and Crescent City Leos collected over 2,900 pounds of food and approximately \$2,650 in monetary donations.

Preparing for the Next Emergency

Hurricane Lala has changed my perspective on emergency preparedness. I will be modifying my office in Hilo and dedicating one of the large rooms to emergency supplies, including water, canned food, butane stoves with extra canisters, and backup generators. We need to be prepared so that when the next emergency comes, Lions can respond quickly.

I encourage every zone and Lions on every island to consider forming an Emergency Fast Team. Being organized and prepared ahead of time can make a tremendous difference when our communities need us most.

Leadership & Lions on the Move

On a positive note, Hawai'i Lions Foundation (HLF) President Berta Jenkins and ZC Jaci Yokogawa were selected to attend Lions Clubs International's Lions Edge Leadership Training in Chicago, October 2–4, 2026. Congratulations to both! What a wonderful opportunity and well-deserved recognition of their leadership and commitment to service.

A big congratulations to the **Kuhio Lions Club** and the **Lions Club of Honolulu** as they celebrate their charter anniversaries this month! What an incredible accomplishment and a wonderful reminder of the many years of service, fellowship, and aloha these clubs have given to their communities and to District 50.

And of course, the **Lions Club of Honolulu** is celebrating an amazing milestone, 100 years of service! I'm looking forward to seeing Lions from across District 50 at their 100th Anniversary Gala on October 10th as we come together to celebrate this historic occasion. Let's fill the room with Lions and celebrate 100 years of service together! Congratulations to both clubs, and mahalo for continuing to show what We Serve is all about!

I recently had the pleasure of visiting the **Hawai'i Kai, Kalakaua, Kamehameha, and Pālolo Lions Clubs**. I was pleased to hear about the many ways these clubs are looking ahead and strengthening their membership. Clubs are holding retreats, listening to members' concerns, planning for the year ahead, working toward the District Governor's goal of +2 net membership growth, and welcoming prospective new members.

They are also looking beyond their own clubs—supporting the **Honolulu Lions Club's** 100th Charter Celebration, sending Lions to District 50's Regional Lions Leadership Institute (RLLI), meeting sitting International Director Liz Crooke at KMC, attending the USA/Canada Lions Leadership Forum in Memphis, and finding new ways to engage their members and build stronger clubs for the

future. There is a lot of positive energy happening throughout our District!

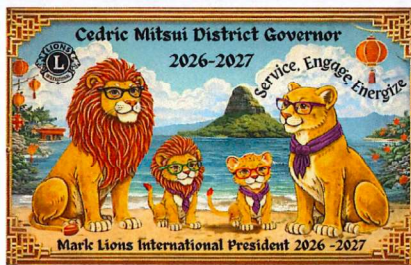

Many of our Hawai'i Lions will also soon be heading to Memphis, Tennessee, for the USA/ Canada Lions Leadership Forum, September 3-5, 2026. I wish everyone safe travels and look forward to bringing home and sharing new ideas and inspiration with District 50.

September is Joint Service Month

September is Joint Service Month! I encourage every club to reach out and partner with another service organization in your community. Whether the need is disaster relief, hunger, vision screening, the environment, youth development, diabetes, pediatric cancer, or another important cause, working together allows us to extend our reach and make an even greater impact.

Together, we can do more!

As we move forward, let us continue to strengthen our **Roots in Service**, grow and retain our membership, support Lions Clubs International Foundation (HLF) and Hawai'i Lions Foundation (HLF), strengthen our advocacy and community partnerships, engage more members, and energize the Lions spirit throughout District 50.

Keep serving, keep growing, and keep looking out for one another—because when our communities need us, Lions are ready to answer the call.

P.S. Let's pray for no more disasters!

PROUD LION AWARDS

The **Proud Lion Awards** were created as steppingstones to help Lions grow into **well-rounded, knowledgeable, and active members of their clubs and communities**. Each level encourages Lions to become more involved, learn about Lionism, and develop their leadership and service skills.

Proud Lion

For Lions who have been members for **six months or less**, this first level includes **seven tasks** designed to introduce new Lions to the organization and their role as a Lion.

Proud Lion Too

For Lions who have reached **two years of membership**, this level includes **nine tasks** that encourage continued participation, learning, and involvement in Lions activities.

Proud Lion Elite

The highest level recognizes Lions who complete **twelve tasks during any five consecutive years**. It represents a commitment to continued growth, service, and involvement in Lionism.

Congratulations to all of our Proud Lions!

Your accomplishments demonstrate that being a Lion is a journey of **learning, serving, participating, and growing**. We celebrate your dedication and encourage you to continue moving forward on the path to becoming an even more **well-rounded Lion**.

A Legacy of Service

7 MONTHS TO GO

91st Annual District 50 Convention · April 23–25, 2027 · Kroc Center Hawai'i

Aloha, and welcome to the road to 2027.

Aloha, Lions of District 50. It is my honor to serve as your convention chair for the 91st Annual District 50 Convention, April 23–25, 2027, at the Kroc Center Hawai'i in Kapolei.

As a Lion who has attended many district and international conventions, I am excited to serve as your convention chair. I would like to address some pain points that others have experienced and use my knowledge to put on the best convention I can. I will not be perfect, but I will try my very best.

Our theme, “A Legacy of Service,” honors the 100th anniversary of the Lions Club of Honolulu, the Mother Club of Lionism in Hawai'i. We are also honored to welcome International President Mark S. Lyon, whose theme, “Rooted in Service,” complements the occasion perfectly.

Registration is open now. Each month I will write about a different part of the convention. If you have not registered yet, please do — and mahalo for your service.

2027 REGIONAL LIONS' LEADERSHIP INSTITUTE

Aloha District Leaders and Fellow Lions,

The **Regional Lions Leadership Institute (RLLI)** is an opportunity for Lions ready to grow their leadership skills, strengthen their clubs, and make an even greater impact in their communities.

We invite you to identify and encourage Lions in your clubs who have the passion, potential, and desire to lead or improve themselves to participate in this valuable learning experience.

RLLI provides participants with these opportunities:

- Develop their leadership skills and become more confident leaders.
- Learn from fellow Lions by sharing experiences, ideas, and successful practices.
- Build relationships and expand their Lions network beyond their own club.
- Explore new ways to engage members and strengthen clubs.
- Turn ideas into action through planning, collaboration, teamwork, and goal setting.
- Discover their own leadership potential and identify ways they can contribute to the future of Lions.

Effective leadership is about more than holding a title. It is about bringing people together around a shared purpose, developing a vision, creating a plan, and building success. These concepts align closely with the Global Membership Approach, which emphasizes building teams, developing a vision, creating actionable plans, and measuring success.

Strong clubs and districts depend on Lions who are prepared to step forward when opportunities arise. By encouraging promising Lions to attend RLLI, you are investing in the future of your club, your district, and the communities we serve.

Regional Lions Leadership Institute
Honolulu, Hawaii
January 16 – 18, 2026

District 50 is sponsoring the Regional Lions Leadership Institute to build personal leadership skills, make new lifelong friends, and be reenergized.

Participant Qualifications

1. Candidates are Lions who have never attended a Regional Lions leadership institute and are in good standing with the Club and District. Due to cost considerations, the number of neighbor island Lions is limited to eight candidates. Because of time needed for hotel reservations, all neighbor island applications with payment need to be received with payment by the November 15, 2026, deadline.
2. Candidates **must** commit to pre assignments, the two-and-a-half-day Institute and group mealtime activities. Attendance at all classroom sessions and scheduled activities is mandatory.

Cost of the Institute

Lion registration fee is **\$125** which is often subsidized by the club who is investing in their leadership.

What is included

1. Meals: Coffee and pastries each day; lunch and dinner on Saturday and Sunday. Please report if you have any food allergy or are visually/hearing impaired (for classroom seating).
2. Neighbor Island Candidates: (a round-trip air fare not to exceed \$200. Air reservations must be completed by November 15, 2026, or the candidate may be replaced by the next qualified alternate.
 - a. Hotel accommodation on a shared room basis for Saturday and Sunday nights.
 - b. Ground transportation during the institute will be covered by Lion volunteers.

Application Procedure and Deadline

1. All candidates must complete the attached Application and Candidates History.
2. All completed documents and the registration fee made payable to District 50 Hawaii must be **postmarked no later than November 15, 2026**. There will be no refunds or cancellations after January 2, 2027.
3. Submit the application, candidate's Lion history and registration fee to:

Lori Inouye-Yamashita

Selection Process

1. Acceptance into the Institute is not guaranteed as there are only 25 slots available. To have as many clubs represented as possible, participation will be limited to 2 candidates per club. If there are any openings after the application deadline, additional members of a club may be added. If not selected, a refund of the registration fee will be sent to the applicant. All applications and the selection process will be handled with strict confidentiality.

KĀNE'OHE LIONS WELCOME THEIR NEWEST MEMBER!

Kāne'ōhe Lions Club proudly welcomed its newest member during a special induction ceremony. Club President Adriel Lam presided, with PDG C.J. Kalopodes conducting the induction.

Message from FVDG Lion Tony Tassillio

Aloha DG, SVDG, PID, PDGs, Lions of District 50, CIS, and all our 'Ohana,

Wishing all the best to our Lions during these stormy days. As everyone knows, Lions throughout the islands have been working hard to help our communities. Please stay safe, and prayers to all.

On Hawai'i Island, we have been working on emergency planning and response with Big Island organizations. Working together with Project Vision, we helped bring showers to the Assembly of God in Nā'ālehu and delivered more than 202 cases of District 50-labeled water to Pāhala, Nā'ālehu, and Ocean View.

We also helped provide more than 3,000 pieces of clothing and 100 gently used large bath towels. We went down at the first opportunity on August 19 and have made two trips so far. Two Lions have also been helping operate the showers for six days and are still serving.

Lion Wayne, CIS Carol, and I also visited Lion Clement of WLC and provided assistance to him and his 'ohana. We helped with a 200-car food distribution, where we handed out cases of District 50-labeled water.

Two days later, I returned to distribute water in Ocean View with Lion Wayne, Lion Eugene, and Lion Melissa.

There is nothing better than seeing the gratitude and appreciation of the people we are able to help. So far, 25 Lions and 1 CIS have contributed approximately 75 hours of service.

Please don't hesitate to call with your ideas and thoughts. Mahalo to DG Cedric and mahalo to all the Hawai'i Island Lions who came out for the FVDG Meet & Greet.

If you have any questions or concerns, please don't hesitate to call me.

Much Aloha, Lions!

These are some of my photos. In some places, it looked like a war zone. Trees and debris everywhere, roads damaged, and our communities hurting.

But Lions were there. I am grateful that we could work together, bring water and supplies, and help wherever we could. There is nothing better than being a Lion and being there when our communities need us.

Report Your Service, Share Your Impact

Submitted by PDG Eric Nordmeier

District Global Service Team Coordinator

The underlined text throughout this article contains clickable links. Simply click any underlined word or phrase to access additional information and helpful resources.

Both Lion and Leo clubs have and continue to perform service projects throughout the Lion year. Some clubs actively report in the Lion Portal what activities are performed, and others do not. Last check, only 39 percent of a combination of Lion and Leo clubs reported.

Reporting service activities in the [Lion Portal](#) is **very important**. Members on community forums agree that reporting is essential to track global impact, maintain good club standing, and secure organizational resources.

Why Reporting Matters

Global Impact Tracking:

Provides vital data showing how many people Lions and Leos help worldwide.

Club Health and Status:

Helps district, region, and zone leaders monitor club activity. Failing to report for over three months flags a club as inactive on health assessments.

Awards and Recognition:

Accurate reporting is required for clubs to qualify for excellence awards and international recognition.

Resource Allocation:

Demonstrates community involvement and need, helping Lions Clubs International distribute support and grants effectively.

Steps to Input Activities

- Log in at the official [Lion Portal](#) using your credentials.
- Navigate to **Service** on the top navigation bar and select **My Activities**.
- Click the **Create Service Activity** button.
- Select the **Sponsor** (e.g., your club).
- Enter an activity **Title**.
- Choose the **Activity Type**: Donation, Fundraiser, Meeting, or Service Project.
- Click **Next** to generate the data entry form.

Filling Out and Submitting the Report

- Complete the mandatory fields including **Dates**, **Cause**, and **Project Type**.
- Input specific metrics based on the type of activity (such as people served, total volunteers, and volunteer hours for projects).
- Check the **Report Complete** box so the status changes from draft to ready/submitted (authorized officers only).
- Click **Save** to finalize and submit the data to Lions Clubs International.

Best Practices for Reporting

Timeliness:

Log and check "report complete" as soon as a project finishes.

Deadline:

The fiscal year ends June 30, but data can be submitted until July 31 for the previous year.

Authorized Roles:

Only designated officers—such as the President, Secretary, or Service Chair—can officially finalize and submit the report in the portal.

Your Report. Our Impact. Stronger Together.
Report every project. Make every act of service count.

Diabetes Awareness: Why Do We Care?

Submitted by Lion Eileen Peyton, D50 Diabetes Awareness Chair

Lions volunteering at the Walmart Wellness Fairs this July in Kailua Kona, Lihue, Mililani and Kunia can tell you why.

Diabetes is a global epidemic causing over 6 million deaths a year. One out of 2 people with diabetes are undiagnosed. The prevalence of diabetes has increased 300% since the year 2000 and accounts for 12% of all health care costs. Early intervention is needed to help control and decrease the incidence of this disease.

As Lions we can educate individuals about the risk factors for and the signs and symptoms of diabetes. Lions can encourage folks to see a health care provider to be screened for diabetes. Early diagnosis and treatment can lead to better lives for those affected.

Thank you Lions from Kailua-Kona, Lihue, Mililani and Kunia for joining the Lions mission to prevent diabetes and improve the lives of those with diabetes.

Fellow Lions!

Building on a Strong Foundation

First and foremost, a special thank you to PDG Garret Ogawa for the many years of emergency preparedness education he has shared with our district. His dedication has helped lay the foundation for what must now become our next step forward.

Why Preparedness Matters

As Tropical Storm/Hurricane Lala approached our state, we were reminded that this may be only the first of several natural disasters forecast during the current El Niño season. Events such as these reinforce the importance of preparedness and the need for every one of us to be ready for unexpected challenges.

Preparedness is not based on speculation or theory. It is rooted in scientific research and has long been advocated by experts worldwide. Today, more than ever, we must look ahead, develop practical skills, and strengthen our ability to serve when our communities need us most.

Emergency Awareness Training Begins

To that end, we recently completed our first educational presentation, **"Stop the Bleed,"** the first in a series of skill-building programs focused on emergency awareness and community preparedness. These sessions are open to the public and will be recorded so that all District 50 Lions, including those unable to attend, can benefit from the information shared.

Our next session, scheduled for September 16th, 2026 will be a hands-on follow-up class. We are pleased to

Lions Leading Through Preparedness

As Lions, we have a responsibility to share knowledge, strengthen our communities, and enhance the public image of Lionism through service and leadership. Whether through community coffee hours, presentations, neighborhood gatherings, or one-on-one conversations, each of us can make a difference. Start small, share what you know, and continue to serve.

Join the Emergency Awareness Committee

Once again, PDG Mitch Tam and I are reaching out to Lions throughout District 50 who may be interested in joining our Emergency Awareness Committee. Every Lion brings unique skills, experiences, and perspectives that can contribute

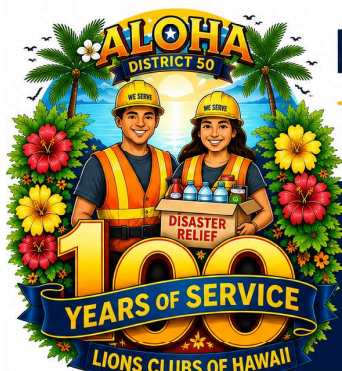

to our mission. We welcome your ideas and encourage you to contact us if you would like to become involved. **Step forward, get involved, and help us build a more prepared and resilient Hawaii.** Your participation can help shape programs that strengthen community resilience before, during, and after emergencies.

Looking Ahead

In closing, as Advisory Council Chair for NOAA, I will be attending its first national meeting in San Francisco in August. This opportunity will provide valuable insights into future planning and preparedness initiatives based on sound science and research. I look forward to sharing what I learn with our district.

Let us not wait for the next emergency to test our readiness. Let us prepare now, lead by example, and continue our proud tradition of service.

PREPARED, AND
CONTINUE TO SERVE.**

Koko Head Lions Mini Carnival

Koko Head Lions Club brought the fun to the Finds & Grindz Back-to-School Event on July 30 at Kahala Elementary School with a mini carnival for the community. Lions from **Koko Head, Manoa, Hawaii Kai,** and **Chinatown** joined forces with the **Roosevelt High School Leos** to run games, hand out smiles, and keep the kids busy. The event drew a great crowd, with children of all ages enjoying the activities.

Music, Shave Ice & Friendship at Camp Anuenue

Submitted by Lion Eddie Lisuzzo

Sometimes the most meaningful moments in service are simply about helping kids be kids.

Approximately 40 young people attended Camp Anuenue, a special camp for children with cancer. Six members of the **Moanalua Lions Club** volunteered to provide ukulele lessons and shave ice for the campers.

About 15 campers joined the ukulele activity, including several returning campers who remembered the lessons from last year and were excited to see the ukuleles return. Others preferred spending their time swimming, relaxing with shave ice, and catching up with old friends while making new ones.

For these young people, Camp Anuenue offers something especially important: a chance, even for a little while, to set aside the weight they carry and simply enjoy being kids.

The friendships created at camp can last well beyond those few days. Returning campers reconnect with friends from previous years, while some who have aged out of the program return as volunteer counselors, helping a new generation of campers feel welcome and comfortable.

For our **Moanalua Lions**, the greatest reward was simply seeing the campers laughing, playing, making music, enjoying shave ice and spending time together.

No photographs were taken during our visit, as cameras and personal devices were not permitted in order to protect the privacy of the campers. But some moments don't need photographs to be remembered.

For a little while, there was music, friendship, shave ice and laughter.

And kids simply got to be kids.

Kōkua for Hurricane Lala: Hawai'i Island Lions & KTA Super Stores Come Together in Service

Submitted by IPDG Bruddah Sean Benito

An Incredible Community Response

KTA Puainako-Hilo

Over **1,000** pounds of food — two pallets, plus **\$1,020** in checks and **\$260** in cash

KTA Waimea

Approximately **1,000** pounds of food — two pallets

KTA Waikoloa

Approximately **500** pounds of food and about **\$300** in monetary donations

KTA Kailua-Kona

Approximately **400** pounds of food and **\$1,070** in monetary donations

Altogether, our Hawai'i Island communities donated more than

2,900 POUNDS OF FOOD and approximately **\$2,650** IN CHECKS AND CASH.

♥ Mahalo for your generosity, compassion, and aloha! ♥

What an amazing Saturday of service, aloha, and community! On Saturday, August 22, 2026, **Hawai'i Island Lions Clubs** teamed up with KTA Super Stores for "Kōkua for Hurricane Lala," an island-wide canned food and donation drive to assist families and communities impacted by Hurricane Lala.

This entire effort came together in just a few days. IPDG Bruddah Sean Benito coordinated the island-wide effort, serving as the liaison between KTA Super Stores and participating **Hawai'i Island Lions Clubs**. Planning began on Tuesday, and by Saturday, Lions and Leos were serving at four KTA locations across Hawai'i Island.

The need was urgent. Many families lost electricity during Hurricane Lala, causing refrigerated and frozen food to spoil. The Ka'u community was especially hard hit. Initial reports following the storm indicated at least 100 homes on Hawai'i Island were damaged, with later state assessments reporting hundreds of homes damaged or destroyed, along with damage to roads, bridges, businesses, and other

infrastructure.

And once again, Hawai'i Island answered the call! The community response was incredible,

donating over 2,900 pounds

of food and \$2,650 in checks and cash. The food donations are scheduled to be picked up by The Food Basket, Hawai'i Island's Food Bank, on Monday, August 24, helping move these much-needed donations quickly into the hands of families and communities who need them.

Hilo Crescent City Leos

A very special shout-out to our **Hilo Crescent City Leos** and Leo Kaleo Aono! Seeing our Leos serving alongside our Lions reminds us that the future of service on Hawai'i Island is strong.

Mahalo, KTA Super Stores!

A very special mahalo goes to KTA Super Stores for saying yes and partnering with the **Hawai'i Island Lions** on such short notice.

With only a few days to put everything together, KTA opened its doors and gave our Lions and Leos

the opportunity to serve at locations across the island. That partnership helped turn an idea on Tuesday into more than 2,900 pounds of donated food by Saturday.

KTA Waikoloa: Waikoloa Lions

And most importantly — MAHALO, HAWAII ISLAND! Every can, every bag of food, every dollar, every check, and every act of kindness added up. What a great way to spend a Saturday — Lions, Leos, KTA Super Stores, and our Hawai'i Island communities working side by side to help our neighbors when they need us most.

As this article is being written, Tropical Storm Moke is passing south of Hawai'i Island, bringing the threat of additional heavy rain and flooding to communities still recovering from Hurricane Lala. With additional storms developing in the Pacific, our work is not finished.

Please continue to keep Hawai'i Island, especially our communities recovering from Hurricane Lala, in your prayers.

This is what Lions do.

We Serve. We Kōkua. We Share Aloha.

Together, we are Hawai'i Island Strong!

Mahalo nui loa to everyone who made Kōkua for Hurricane Lala possible!

Campus Beautification - Pillar: Environment

Submitted by Lion Kathy Higa

The **Kīnā'ole Lions Club** helped to organize a **Campus Beautification Day at Major General William R. Shafter Elementary School**.

Our club members, community partners, community members, and 'ohana spent the morning working together on **landscaping, cleanup, painting, raking, sweeping, and other campus improvements** to help create a cleaner and more welcoming environment for students, teachers, and families.

We also held an **e-waste collection** in partnership with **808 Envirocyclor and E-Opala Recycling**. The collection not only supported the school but also provided an opportunity for our community to properly

recycle unwanted electronic items while helping protect our island environment.

Mahalo to Our Volunteers and Supporters

The **Kīnā'ole Lions Club** extends a heartfelt **mahalo** to everyone who volunteered, donated supplies, dropped off recyclable items, or supported this project in any way. Your time, energy, and kōkua helped make the day a tremendous success.

A special mahalo to the organizations and groups who came out to support the project:

- American Savings Bank
- E-Opala Recycling
- Honolulu Healthy Cyber Leo-Lion Club
- **Kalākaua Lions Club**
- **Kīnā'ole Lions Club**
- **Kona Healthy Leo-Lion Club**
- Major General William R. Shafter Elementary School
- University of Hawai'i ASCE Club
- 808 Envirocyclor
- The many community members and our 'ohana who joined us!

This project was a wonderful example of what can be accomplished when people come together with a shared commitment to **serving our keiki, supporting our community, and caring for our 'āina**.

Honoring History Through Service: Lions at Hanapēpē Public Cemetery

Submitted by PDG Eric Nordmeier

The Hanapēpē Public Cemetery (also known as the Hanapēpē Chinese, Filipino, and Portuguese Cemetery) on Kaua'i is historically significant as the final resting place of 16 Filipino sugarcane plantation strikers killed during the tragic 1924 Hanapēpē Massacre.

The 1924 Hanapēpē Massacre

- **The Conflict:** On September 9, 1924, a violent clash erupted between striking Visayan Filipino laborers—who demanded higher pay (\$2 a day instead of \$1) and an eight-hour workday—and local police officers and sheriffs.
- **The Casualties:** The confrontation resulted in the deaths of 16 Filipino strikers and four police officers, followed by the arrest of over 100 strikers.
- **The Mass Grave:** The slain Filipino strikers were placed in an unmarked mass grave at the front of the Hanapēpē cemetery, a location that remained largely forgotten and lost to public knowledge for decades.

Rediscovery and Modern Stewardship

- **Rediscovery:** In 2019, researchers and descendants utilized ground-penetrating radar, historical photographs, and local archives to locate the exact earthen depression of the mass grave at the cemetery.
- **Ownership and Maintenance:** Although the county long maintained the site under the assumption that it was local property, recent reviews revealed the state is the rightful owner. Maintenance was transferred to the Hawai'i Department of Accounting and General Services (DAGS).
- **Memorialization:** The state finalized plans for a permanent memorial at the cemetery front. Designed with two shadowing concrete columns to symbolize the tragic divided sides of the labor conflict, construction on the monument is slated to begin September 1, 2026.

Members from **Region: 1 Zone: 1** clubs answered the call to assist with cleaning a Public Cemetery in Hanapepe. Lion Edwin Santa Maria President of **East Kauai** solicited help from the Lions to clean the vegetation over growth. Although the banner in the picture is from **West Kauai Lion Club** members from other clubs were also present.

Bento Care Initiative: Feeding Honolulu's Homeless — One Bento at a Time

Submitted by Lion Jeff Ching

To combat food insecurity across urban Honolulu, the **Aloha Pono Lions Club** partnered with local eatery **Prime Roast Cafe** on July 26 to prepare and distribute more than 300 restaurant-quality meals to individuals experiencing food insecurity.

The outreach effort, part of the club's ongoing Bento Care Initiative, reached individuals across several neighborhoods, including Downtown Honolulu, Kaka'ako, Ala Mo'ana, Mo'ili'ili, McCully, Makiki, and Pāwa'a. Volunteer teams delivered the freshly prepared bentos directly to community members, aiming to combine hunger relief with a personal connection.

The Bento Care Initiative reflects a simple but meaningful belief: everyone deserves access to a nutritious meal served with dignity, compassion, and aloha.

Designed to offer a complete and comforting meal, each bento featured:

5-Meat Chili Corn Carne served over rice, Turkey Bacon and Sausage with BBQ Sauce, Sautéed Vegetables and Bailey Mushrooms, Tuna and Corn Casserole, and a Chocolate Cupcake for dessert.

A heartfelt **Mahalo Nui Loa** to Chefs Ernesto and Celeste Limcaco of Prime Roast Cafe, "Hawaii's Home of Prime Rib," located in the Arcade Building (across from Central Pacific Bank). Their generosity and culinary expertise made this initiative possible.
